

**HOW MUCH TIME ARE YOUR DRIVERS LOSING  
UNLOADING THEIR TRUCKS INSTEAD OF DRIVING THEM?  
PUT YOUR BUSINESS BACK ON THE ROAD...**

## **DRAKE'S DOCK ASSISTANT PROGRAM WILL HELP YOUR COMPANY:**

### **1. IMPROVE PRODUCTIVITY**

Ensure drivers are driving your trucks - not unloading them

### **2. REDUCE COSTS**

Do you really know how much money your company spends annually on the salaries and wages for your drivers?

### **3. SAVE MONEY**

Drake's Dock Assistant Program will help drive your company's bottom line and put your business back on the road.

#### **BENEFITS TO YOU**

- A pool of dedicated and experienced workers fully screened, assessed and trained in a formal freight handling program to support all your carrier needs
- Dock Assistants that will conduct freight reconciliation
- A centralized payroll and timesheet managed service

#### **WHAT HAS DRAKE DONE FOR OUR CLIENTS?**

- 110 work orders filled per week, on average, for just one site – imagine what we can do for you!
- Streamlined process for appointment submission
- Direct radio contact with shunt drivers (saves carrier dispatch time, ensures trailers are pulled from doors quicker)
- Formal training program for new dock assistants
- Currently 50 carriers on board with our program
- Provide trained staff for work in terminal locations for loading and unloading less-than-truckload (LTL) freight
